136 BIMpogovori o siBIM 2022
Objavljeno: 31.5.2022 | **Dolžina:** 2899.0 | **Prenesi:** mp3 | **Predvaja:** YouTube
Spet oddaja o preteklem dogodku. Tokrat komentirava siBIM 2022 konferenco, ki je potekal v četrtek, 19.5.2022 na Brdu. Konferenca je postregla prav z vsem - z nekaj odličnimi predavanji, pa tudi nekaj manj zanimivimi; začetno zamudo in še večjo zamudo na koncu; odlično hrano in premalo prostora za druženje (udeležencev konference je bilo po podatkih prib. 170), ... in seveda številnimi pogovori. Če se niste udeležili konference, si že sedaj rezervirajte čas v maju 2023 za naslednjo siBIM konferenco.

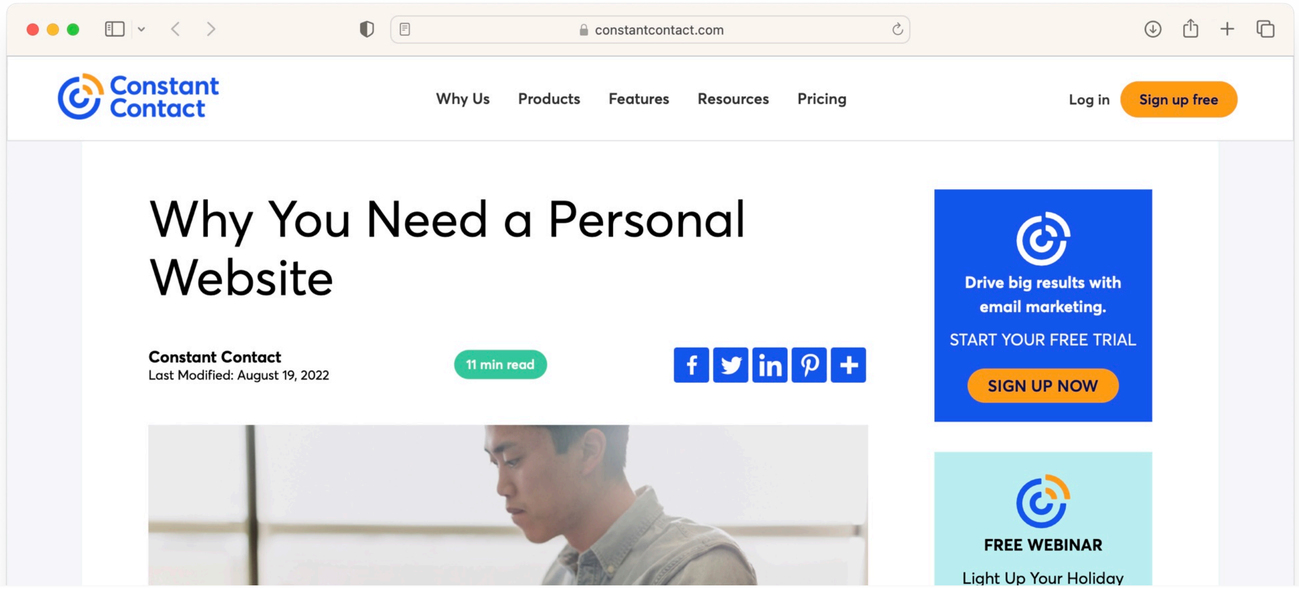
Personal presentation

DON'T FORGET TO MARK THE ATTENDANCE
SON



According to Forbes, **56% of employers are more impressed by a strong personal website than any other aspect of a job candidate's profile**. Yet only 7% of job seekers have one. Put yourself in that 7% and impress more than half of employers with a resume website. 19 Aug 2022

Sarah Fielding

Mechanical Engineer with +5 Years Experience

sarah_fielding@gmail.com +44 75678 896573 19 Sheldon Close, SE2 6BR London

Profile

I am a detail-oriented Manufacturing Engineer with 5+ years' experience in the automobile industry. My achievements include redesigning machine arrangements department-wide to improve efficiency by 20%. I also have extensive knowledge of engineering standards BS 8888 and BS 970, through developing advanced hydraulic systems. I am now seeking a senior role where I can leverage my project management skills.

Employment

Mechanical Engineer — Feb 2018 - Present
Ford, Dagenham
- Responsible for diagnosing faults and completing servicing on a fleet of 50 cars.
- Redesigned machine arrangements department-wide to improve efficiency by 20%.
- Increased production quality for manufacturing by 25%.

Mechanical Engineer — Aug 2015 - Dec 2018
ADAC, London
- Designed pressure vessels, hydraulic systems, sealing systems and chemical injection systems.
- Adhered to strict engineering standards such as BS 8888 and BS 970.
- Consistently delivered to project needs at 20%+ under budget.

Junior Engineer — Sep 2012 - Jul 2015
Lightbox, Ipswich
- Planned, designed, and developed tools, engines and mechanical equipment - resulting in a 22% increase in efficiency.
- Worked with planning and design teams to drive product development and review tooling specifications for new engines.
- Developed CAN and LIN drivers.

Education

Advanced Mechanical Engineering MSc: Distinction — Sep 2011 - Jul 2012
University of Sheffield, Sheffield
- Technical communication for mechanical engineering, experiments and valid computer models
- Strategic engineering management and business practices

Mechanical Engineering BEng: 1st class — Sep 2008 - Jul 2011
University of Sheffield, Sheffield
- Fundamentals of mechanical engineering, mathematics and management: applied dynamics, mechanics of fluids, mechanics of solids, applied thermodynamics, mechanical behaviour of materials and

Protecting People From Malicious Account Compromise Apps

October 7, 2022

By David Agranovich, Director, Threat Disruption and Ryan Victory, Malware Discovery and Detection Engineer

Takeaways

- We identified more than **400 malicious Android and iOS apps** this year that target people across the internet to steal their Facebook login information.
- We reported our findings to Apple and Google and are helping potentially impacted people to learn more about how to stay safe and secure their accounts.
- We've included more information about these apps at the bottom of our post to enable further security research by our industry so we can improve our collective defense.
